

## 2005 LOTTERY AND GAMING CREDIT APPLICATION

You may claim the Lottery and Gaming Credit for 2005 taxes, payable in 2006, if, on January 1, 2005, you were the owner of the property described in the box and used that property as your primary residence. (Note: "primary residence" is defined below.) If you meet these requirements, you may claim the Credit by signing this form in the place indicated. If you return this form by October 30, 2005 to the Oneida County Treasurer, a Lottery and Gaming Credit will be shown on your December 2005 property tax bill. If you do not claim the Credit by using this form or another State-approved form provided by the County Treasurer, no Credit will appear on the tax bill.

Do not return this form if you did not own the property on January 1, 2005 or if the property was not your primary residence on January 1, 2005.

State law requires that you notify the Oneida County Treasurer within thirty days after you no longer qualify to claim the Credit either because you no longer own the property or you no longer use the property as your primary residence.
